RE: PRO-RING MANHOLE ADJUSTMENT SYSTEM

Dear Mr. Thompson:

The Department has completed a preliminary review of your application for the above referenced product. **Specification number 425 covers this type of product but it is not a QPL item. This product can be used on a job by job basis as approved by the Project Engineer** as outlined in the specification.

This document does not warrant approval of your product, nor does it endorse the use of it. The Product Evaluation section merely receives the information packet, pertaining to the product, and forwards it on for evaluation by the appropriate technical expert within our department.

If you have questions about your application, please me at (850) 414- 4776 or by email at barry.smith@dot.state.fl.us.

Sincerely,

Barry E. Smith
Product Evaluator
