Re: PE# 2014-031  
 Section 606.2 Manhole and Inlet Extensions  
 Product Name – Pro-Ring  
 Supplier Code: (JSPIN)

Dear Mr. Naber:

We are pleased to notify JSP International, LLC, Pro-Ring has been **conditionally approved** for Listing in Bulletin 15, “Approved Construction Materials” and will be added as shown below

**SECTION 606.2  
 MANHOLE AND INLET EXTENSIONS**

■ **Conditional Approval NPI must be contacted prior to use [RA-pdETIProductUse@pa.gov](mailto:RA-pdETIProductUse@pa.gov)**

Supplier Code	Company	Status	Type	Ref. No.
JSPIN	JSP International, LLC 150 East Brook Lane Butler, PA 16053	■	Pro-Ring	14-031

Until your facility appears in Bulletin 15, this letter may be used as proof of your inclusion into Bulletin 15.

Pro-Ring is conditionally approved as an alternate to Section 606.2. The conditional approval is based upon a combination of the information provided with your product evaluation application along with confirmed performance history in Florida, Oklahoma, and Wisconsin.

Conditional approvals are used for products that are not covered by a PennDOT Publication 408 specification at this time. These products are approved for use according to the manufacturer’s specifications and usage guidelines. PennDOT may supplement or modify the manufacturer’s specification as needed using special provisions.

This conditional approval is based on the requirement that prior to placement, you notify the New Products and Innovations Section (NPI) at [RA-pdETIProductUse@pa.gov](mailto:RA-pdETIProductUse@pa.gov) each time the

product is to be used on a PennDOT project. Failure to do so may result in the removal of the product from Bulletin 15 "Approved Construction Materials". A manufacturer's representative may be required to be present when the product is placed on PennDOT projects.

It is mandatory that a "Certificate of Compliance", Form CS-4171, be accurately completed and distributed as directed for all approved products shipped to PennDOT projects. Form CS-4171 is enclosed and may be duplicated as needed, or accessed on the PennDOT web site at the following address: <ftp://ftp.dot.state.pa.us/public/PubsForms/Forms/CS-4171.pdf>.

All products/services approved by the Pennsylvania Department of Transportation are subject to periodic quality assurance inspections by department staff, including inspections of the manufacturing facility itself. Any potential changes relative to the supplied product/service, such as company name, plant location, material suppliers, manufacturing process, etc. must be reported to this office within ten (10) days. If changes are not reported within the required time, your product will be subject to removal from Bulletin 15.

If you have any questions, please contact Mr. Rodney Klopp, P.E., New Products and Innovations Section at (717) 787-7287 or via email [rklopp@pa.gov](mailto:rklopp@pa.gov), and refer to PEQ# 2014-031.

Sincerely,

A handwritten signature in black ink that reads "James P. Tenaglia". The signature is written in a cursive style with a large initial "J" and a prominent flourish at the end.

James P. Tenaglia, P.E., Section Chief
